Secretary to the Government of H H the Maharaja of
Mysore, General & Revenue Departments, Bangalore

SIR

I have the honour to inform you that the Wesleyan Mission Kannada Boys' School at Mandali, Shimoga which was doing good work till a few years ago gradually deteriorated on account of the supreme indifference of the Panchayas of the place and now there are only two or three children in it The Manager Rev W E Tomlinson requests that the monthly grant of the school viz , Rs 6 may be transferred to the Wesleyan Mission Girls' School opened in Durgigudi, Shimoga several years back This is a lower primary vernacular school for girls and is held in a building in the Mission compound and is visited every day by the Missionary Lady in charge of girls' schools there The school is doing good work and is availed of by the caste people in the neighbouring sheds and houses There are now 34 girls on the rolls of the school and the average daily attendance from January to October 1908 is about 20 There is only one mistress who gets a pay of Rs 6 a month For contingencies and sundries the Manager spends about Rs 4 Thus the total expenditure on the school comes to Rs 10 which is now met from the Mission Funds If the grant of the

the Mandali School is trarsferred to the newly opened school, the Mission hope to appoint another teacher. Under these circumstances I recommend that the transfer of the grant of Rs 6 from the Mandali Panchama School to the Durgigudi Girls' School in Shimoga, as prayed for by the Manager may be kindly sanctioned by Government

I have the honour to be,

Sir,

Your most obedient servant,

H G Bhabha

Inspector General.
